Day 4: Toronto to Ottawa via Kingston and the 1000 Islands

Pick up your rental car and follow the shores of Lake Ontario by road through Kingston and into Ottawa, the picturesque capital city of Canada. Spend some time in Kingston on your included 1000 Islands Cruise Tour. The world-famous 1000 Islands begin in Kingston and span the St. Lawrence River for miles. Our route on board the triple-decker Island Queen winds its way through the small cottage islands of the Admiralty group featuring Napoleon's Hat, Wanderer's Channel, the Bateau Channel, the new, opulent Mandalay Mansion and the historic sights of Kingston. The Admiralty Islands host the highest concentration of small cottage islands and channels in the 1000 Islands. It's the perfect way to explore the remarkable scenery that has made the region famous throughout the world. Onboard you will enjoy live entertainment, a multilingual commentary which describes the history and folklore as you pass by spectacular scenery and island homes, as well as a full-service canteen and bar. Arrive in Ottawa and this evening is free to explore nearby Byward Market on foot. Byward Market is Ottawa's number one tourist attraction and is the premier destination for shopping, dining, arts, entertainment and professional services for both residents and visitors. It is home to a local farmers' market, artisan stalls as well as over 600 businesses. We also suggest spending time in the nearby Rideau neighbourhood easily accessible on foot. Located just a block from Parliament Hill, you will find an abundance of cultural activity with the National Arts Centre, Arts Court, La Nouvelle Scène Gilles Desjardins, Ottawa Little Theatre, and numerous festivals and events. Shopping lovers come here to enjoy some of the biggest brand names in retail at the Rideau Centre some of which have been in the district for over 100 years.
